The Anguilla Financial Services Commission (“the AFSC”) hereby issues a formal update regarding the active Request for Proposals (“RFQ”) for the Provision of Expert Services for the Reform of the Financial Services Commission Act of Anguilla

1. Legislative Audit Scope

For clarification, the RFQ is intended to procure expert services to review and recommend amendments to the Financial Services Commission Act solely along with all subsidiary legislation to this Act. The legislative audit would therefore primarily focus on the financial services legislation currently in force as per the [Financial Services Enactments Regulations](#) and the [Financial Services Enactments \(Amendment\) Regulations, 2024](#).

2. Project Timeline

The date of 12 September 2026 refers to the completion of the project deliverables required under the engagement, unless otherwise agreed with the successful bidder during contract negotiations. It is highly likely, however, that due to the need for review by the relevant stakeholders that Phase 1 will be completed by this date.

3. Proposal Submission Requirements

Proposals may be submitted electronically by email. Where electronic submissions are made, bidders should ensure that the proposal documents are password protected and that the password is provided separately. The reference to sealed-envelope submissions is intended to apply where hard-copy submissions are made.

EXTENSION OF TIME

In light of the above, questions or clarification requests regarding this RFQ must be submitted in writing on or before **23 July 2026 at 2:00 p.m.** to fiona.barnes@afsc.ai

Further, the deadline for submission of the proposals for this RFQ has been extended to **24 July 2026 at 2:00 p.m.**

Proposals already submitted may, of course, be withdrawn and resubmitted by the new deadline date if preferred.

RESERVATION OF RIGHTS

All terms stated under the RFQ referred herein continue to apply.

THANK YOU
